I just got off the phone with Doug Ammon. It appears that he is coordinating fact sheets (such as the ones you provided this morning on CFAC and Butte which he said were very helpful) for this hearing. My advice is to contact Doug to make sure you're not duplicating effort. Let me know what he says.

Hi, Bill:

Here's the request from Shaun for fact sheets on other sites. Do you think I should use the same format as the one we just used for CFAC and Butte for OSRTI and OCFO? I just got a call from Betsy asking for these as soon as possible (Shaun asked for them yesterday in his email last week).

Thanks,

Joe

Do you have anything on this for us. I need to get her stuff today for her review over the weekend.

Martin and Joe,
Please see email below from OCIR requesting talking points/background material on priority issues for Sen. Tester.

Can you pull these together please? I would include the following issues:

- CFAC
- Butte
- Libby
- Smurfit
- ...and any others you know that he is interested in.

Please get them to Deb and me by April 13 so we can forward to OCIR.

Thanks,
Shaun

The Administrator has her approps hearing on April 20th and Sen. Tester will likely be in attendance. Can you provide me, no later than August 14th, current status on his high priority issues and any suggested TPs, including background on his recent visit.
